Description

Business center "Prime" - one of the few representatives of office buildings class "A" located on the street Zhilyanskaya, Vladimirska, Saksaganskogo and the Olympic Metro. Free layout of floors without a large number of bearing walls allows you to maximally adapt the space to the criteria of tenant companies, choose the right area and create the right layout with the most effective area. Technically, the business center meets all modern standards, is equipped with three elevators, fully meets all the safety criteria and has its own land and underground parking.
